

Newtown High School Athletics

On Monday May 10th beginning at 6:00pm the Newtown High School Athletic Department will be hosting a fall sports information night for any 8th graders interested in trying out for a Newtown High School fall sport. This is a great opportunity to learn about the programs offered and receive information about summer opportunities, tryouts and program expectations.

The athletic Director will begin with a 20 minute overview and will provide overarching information pertinent to all programs.

At 6:20, we will move into sport specific information sessions. Each coach will provide his or her own zoom link which also will be posted on nighthawksports.com where you can hear more about each specific program.

The link for the opening and individual meetings can be found at nighthawksports.com, along with a roster of fall coaches and their contact information.
