## Safety in the Art Room

Dear Parents and Guardians,

The safety and well-being of your student is paramount in our classroom. The nature of our work requires the use of a variety of supplies throughout the school year.

*In an effort to **REDUCE** the sharing of supplies, we are requesting that you supply the following items for your student to **KEEP IN THE ART ROOM** for the duration of the school year.*

These materials will travel with the student to-and-from home if our school plan changes, and will return with the student at the end of the school year.

If you are unable to supply your student with these materials, please reach out to us via email, as we may be able to assist in providing a limited number of supply kits for students.
